GRAY MONK

ESTATE WINERY

OKANAGAN WINE COUNTRY

The Heiss family moved to the Okanagan Valley from Europe with dreams of owning a successful vineyard. In 1972, George & Rudy Heiss were at the front of the line presenting their request to be allowed to make (and sell) wine from their own grapes. That began the Estate Winery program - which many believe was the turning point for B.C. Wine.

The roots of Gray Monk Estate Winery began in the family. For generations, the Heiss family worked together to make their dreams of owning a vineyard into reality. Today, their slogan is "Generations of Commitment", recognizing the years of working together as a family to see their dreams come true.

Pinot Gris VQA 2007

This wine had an intense aroma of pink grapefruit and pineapple and flavours of citrus fruits and apricots. Lively and piquant, this wine is refreshingly zesty and clean.

Glass \$10

Half Litre \$35

Bottle \$49

Pinot Blanc VQA 2007

Pale straw in colour, this wine has a fruity aroma suggesting pears, herbs and light spice. It is packed with fresh and sweet fruit flavours, including ripe pears, apples and melons. Supple and full in texture, the wine has a dry finish.

Glass \$9

Half Litre \$33

Bottle \$45

Pinot Noir VQA 2005

Burgundy in colour, this wine has a fine aroma of blackberries and rose petals. There is a hint of raspberry in the flavour.

Glass \$9

Half Litre \$33

Bottle \$45

Sommelier Selections

We are very excited about our expanding and ever changing wine program at The Mark. We are proud hosts of The International Sommelier Guild, which teach all of their courses in Victoria here at The Hotel Grand Pacific. Many of our service staff and managers are enrolled in the International Sommelier Guild programs.

Here is a selection of some of our favourites from our cellar:

Calona Vineyards Artist Series Pinot Noir, Okanagan, BC, Canada, 2005 39

This series tells a story that begins on the label and finishes on your palate. It is about award-winning wine and wonderful art brought together to reflect each other's brilliance. This wine is cherry red colour, medium bodied, good acidity and soft, delicate tannins.

Liberty School Cabernet Sauvignon, Paso Robles, California, USA, 2003 71

Liberty School is the result of the search for the soils and microclimates within the state that are capable of producing the best possible expressions of this grape. This wine has very engaging aromas of blackberry brambles, layered with dark cherry, chocolate and cassis. On the palate, initial softness amplifies in to a warm, supple firmness.

Isenhower Red Paintbrush, Columbia Valley, Washington, USA, 2002 99

The wine is a blend of 80% Merlot, 10% Cabernet Sauvignon and 10% Syrah. This wine is full of red fruit with perfectly balanced acidity, tannins and has a seamless finish. The winemaker was hiking in the Wallow Mountains of Eastern Oregon and spotted the wildflower, Indian Paintbrush, which has the nickname of "Red Paintbrush". The winemaker liked the metaphor of Merlot being the canvas with brushstrokes of Cabernet Sauvignon and Syrah painted in for complexity.

Soos Creek Artist Series, Columbia Valley, Washington, USA, 2001 111

This is a small family winery specializing in Bordeaux varietal wines. This is a blend of 62% Cabernet Sauvignon, 22% Merlot, 12% Cabernet Franc and 4% Petit Verdot. This is an elegant and balanced wine that displays delicious fruit with a cornucopia of flavour nuances.

Sustainable Wines

Sustainable wines are the product of environmentally and socially responsible grape growing and winemaking within the winery. "Sustainability" is defined as a holistic approach to growing and food production that respects the environment. "Organic" is a term given to environmentally friendly farming methods that use no chemicals or pesticides.

Here is a selection of some of our favourites from our cellar:

At Venturi Schulze you will find purists. 100% Estate grown, produced and bottled in the Cowichan Valley. Clay over limestone soil. No irrigation. Intensive hand weeding, shoot, fruit, and leaf thinning and harvesting. There is no compromise in the vineyard or winery. Just a commitment to producing wines uniquely expressive to the site.

- ● Sparkling Wine, Venturi Schulze Chicks & Hens, Cobble Hill, BC, Canada 70
- ● Sparkling Wine, Venturi Schulze Brut Natural, Cobble Hill, BC, Canada 70
- ● Pignoletto, Venturi Schulze, Cobble Hill, BC, Canada, 2000 72
- ● Pinot Noir, Venturi Schulze, Vancouver Island, BC, Canada, 2004 100
- ● Brandenburg No. 3, Venturi Schulze, Cobble Hill, BC, Canada, 2003 90

The Paul Dolan vineyard wines are a unique expression of carefully nurtured vines in each bottle. They do without conventional pesticides or synthetic pesticides and treating the soil as a living, life-giving system. The winegrowing practices create special wines, while sustaining the environment.

- Zinfandel, Paul Dolan, Mendocino & Amador County, California, USA, 2005 71
- Cabernet Sauvignon, Paul Dolan, Medocino County, California, USA, 2005 71

The 85-acre, certified Biodynamic Sonoma Mountain estate of Benziger has become a research and teaching center for the cultivation of grapes with more flavor, intensity and site-specific vineyard character. The family shares its farming knowledge and experience with their longtime grower partners throughout Sonoma County.

- Merlot, Benziger, Sonoma County, California, USA, 2003 70
- Chardonnay, Benziger, Carneros, California, USA, 2006 74

Since 2000, Cline Cellars farms the Green String way - naturally and sustainably and avoid chemical pesticides, fungicides, and fertilizers that are generally used in everyday farming. Cline employs the use of organic cover crops, compost teas, crushed volcanic rock and oyster shell, natural mined sulfur and sheep grazing.

- Mourvedre, Cline Ancient Vines, California, USA, 2006 73

Pacific Rim encourages our growers to reduce their dependency on pesticides, herbicides or fertilizers that are detrimental to the environment. The winery views implementing sustainable practices as our moral obligation. Their quest includes several pillars: reduce energy footprint (without the use of carbon exchanges), become waste-neutral, increase the recyclability of packaging and collateral materials, and – in an effort to make healthy wines – grow grapes without any chemicals.

- Chenin Blanc, Pacific Rim, Washington, USA, N/V 52

Loose-leaf Tea

\$5.00

China Jin Zhu Mao Jian from Whole World Trading

Consists of top leaf and bud and makes a delicate, slightly peachy, fairly light white tea.

Organic.

Jasmine Pearl from T

Fragrant leaves are rolled into a tight pearl, sealing in the scent of Jasmine.

Genmai Cha from T

Japan's famous popcorn tea. Nutty flavour of toasted rice & barley combine with refreshing green tea.

Gyokuru Asahi from T

A very refined Japanese tea. Only the top-most leaves are harvested, producing a pale green liquor with a smooth and lingering taste.

Green Kashmiri Darjeeling from Whole World Trading

With whole leaf green tea, Kashmir saffron and organic Ceylon spices. Organic.

Pear Tree Green from T

estate China green tea, perfumed ripe pears. Crisp.

Osmanthus Flower Oolong from T

Top-grade oolong tea from Formosa delicately scented with Osmanthus flowers.

Darjeeling from Whole World Trading

Plucked at the higher elevations of the garden on the morning of the Full Moon, June 3, 2004. Organic.

Russian Earl Gray from T

This Earl Gray uses the rind of the spicy Bergamot orange.

Deep Green Embrace from Whole World Trading

Peppermint, red raspberry leaf, wild rose petals, lemon grass, cardamom, clove and black pepper.

Mountain Berry from T

Saskatoon berries, currants, raisins and blueberries.
